FOR IMMEDIATE RELEASE

ASQUARED STUDIOS WINS 2017 PROFESSIONAL REMODELER DESIGN AWARD ARLINGTON HEIGHTS, IL - SEPTEMBER 15th, 2017

Asquared Studios, with offices in San Diego and Santa Rosa, CA was named a winner of the 2017 Design Award in the annual national competition presented by Professional Remodeler magazine. Asquared Studios won the Platinum award in the Historical Renovation category. The winners are profiled in the September issue and also online at ProRemodeler.com.

Professional Remodeler's Design Awards recognize outstanding remodeling projects in 23 categories. Entries submitted by U.S. residential remodeling companies are judged on quality, design expertise, material choices, problem solving and creativity.

Project Team:

Architects - Asquared Studios, Tony Garcia and Jessie Whitesides
Interior Designers - Walusko Lange, Michael Walusko and Janet Lange
General Contractor - Tony Parker General Builders

Award winners are determined by a panel of five expert judges from the remodeling industry. This year's panel consisted of Sara Jorgenson, senior design/design coordinator, Harrell Remodeling; Jason Dorfman, design consultant, Marrokal Design & Remodeling; Scott Mosby, chief executive officer, Mosby Building Arts; Doug Walter, owner, Doug Walter Architects; and Carol Longacre, sales, Expressions Home Gallery.

"The Levine Residence embodies the marriage between diligent pursuit of program and dedication to preservation and rehabilitation of Historic Properties". Tony Garcia - Asquared Studios

ABOUT PROFESSIONAL REMODELER

Professional Remodeler is a 100% requested magazine serving the top remodeling firms in the country. Professional Remodeler, its newsletters, and its website ProRemodeler.com, deliver award-winning business management articles, design solutions and product information to residential, commercial and specialty remodeling contractors. Published by SGC Horizon, a division of Scranton Gillette Communications, Professional Remodeler serves an audited audience of 96,915 remodeling professionals.

Asquared Studios is a contemporary architectural design studio seeking to embrace projects that present us with the challenges of vernacular living within the context of our modern environment. We believe that our clients come first, and that all projects require an interactive collaboration to develop an artfully crafted result. We are invigorated by the notion that the basic fundamentals of function and cost can be translated into sophisticated spaces, elegant details, and environmental sustainability. With locations in both Northern and Southern California we are able to take on a broad range of projects in diverse locations.
